## Beware of Scammers

If you are searching for your lost pet, the best thing you can do is spread the word to as many people as possible. Unfortunately, this may sometimes attract unscrupulous scammers looking to profit off your desperate situation.

Similarly, people who have found a pet can also be a target. A scammer may contact you pretending to be the owner of the pet you found. In reality, they are trying to dupe you into giving them the pet so they can sell it for a profit.

Please read **Recognizing and Avoiding the Lost Pet Scam** to protect yourself from becoming a victim.
